

# Science Award Rotary Club Tulln

Rotary is a global network of 1.2 million members. Rotary strives to change the lives of others for the better. Our members invest volunteer and financial resources in a broad range of service activities. We believe that we have a shared responsibility to take action on our world's most persistent issues.

## The Science Award is...

an award for junior researchers (< 31 years) granted by the Rotary Club Tulln for outstanding contributions to research performed in the city of Tulln.

The winners will receive € 1.500, € 2.000 or € 2.500 and will be honoured at the award ceremony on 10th of June 2024.

## How to participate?

**Are you about to finish or have you recently (2023/24) finished your PhD, master or bachelor thesis at a research organization in Tulln?**

Submit your abstract of maximum 300 words, pictures and charts formulated to suit a broader audience by the 20nd of May 2024, 12 p.m. to: [technopol-tulln@ecoplus.at](mailto:technopol-tulln@ecoplus.at)

Highlight sustainable outcomes in one or more of Rotary's areas of focus.

**Further information:** [www.technopol-tulln.at](http://www.technopol-tulln.at), category „Aktuelles“, the winners will be published.

## FAQs

- **Does the submitted proposal have to be part of a PhD-, Master-, Bachelor- or diploma thesis?**  
Yes.
- **Does my PhD-, Master-, Bachelor or diploma thesis has to be completed?**  
No, but you need relevant findings and a minimum of 3 months previous employment. Each submission must be unique and must refer to research currently in progress or completed within the last 24 months.
- **In what language can I submit my proposal?**  
It can be submitted both in English or German.
- **Does it make a difference, where I did my research work?**  
Yes, the main part of it has to have been completed in Tulln.
- **Does it matter which institution I am working for in Tulln?**  
No.
- **Is there a maximum age?**  
Yes, candidates must be born after 01.01.1994
- **Which submission format is required?**  
There is no required format, PDF files are preferred. Pictures and graphics are explicitly welcome.
- **Who is the jury?**  
The jury is a group of experts from the research and innovation scene, together with members of the Rotary Club. Please take into consideration that not every member has a scientific background! For this reason, one of the evaluation factors will be the level of common understanding.
- **How does the evaluation work?**  
The proposals have to fulfill all criteria determined by the jury. After having been submitted, the applications will be evaluated by the jury. The award ceremony will take place at Campus Tulln, on June 10th, 2024, 6 p.m. where the 3 honorees will present their work.
- **My work is confidential. Is it still possible to submit it?**  
We advise you to clarify with your company or tutor how much information is possible to provide. We do not sign any confidentiality agreements.

The winners will be announced at the award's ceremony on June 10th, 2024

The jury's decision is final; no correspondence will be conducted with the participants; no participant lists or winner lists will be sent.

No liability is assumed for any unforeseen circumstances caused by third parties.
