## Science Award Rotary Club Tulln

Rotary is a global network of 1.2 million members. Rotary strives to change the lives of others for the better. Our members invest volunteer and financial resources in a broad range of service activities. We believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Save mothers and children
- Support education
- Grow local economies

**The Science Award is...**

an award for junior researchers (< 30 years) granted by the Rotary Club Tulln for outstanding contributions to research performed in the city of Tulln.

The winners will receive € 1.500, € 2.000 or € 2.500 and will be honoured at the award ceremony on 17th of June 2019.

**How to participate?**

Are you about to finish or have you recently (2018) finished your PhD, master, bachelor or diploma thesis at a research organization in Tulln?

Submit your abstract of 300 words, pictures and charts formulated to suit a broader audience by the 26th of May 2019 to: [technopol-tulln@ecoplus.at](mailto:technopol-tulln@ecoplus.at)

Highlight sustainable outcomes in one or more of Rotary's areas of focus.
