Ecosystem analysis in the Region of Southern Denmark

In the spring 2014 the Region of Southern Denmark held a staff exchange for the ClusteriX partners with focus on how clusters can be used as a driver for regional development. [Read more](#)

Webinar

As a follow up on the staff exchange the Region of Southern Denmark held an open webinar this week. You can see it [here](#)

International Conference “Clusters and the management of knowledge towards Europe 2020”, Iași, Romania, 23 September 2014

This event intends to bring together European cluster policy makers, public authorities, cluster management organizations and their members, companies, universities, research entities to provide qualitative and pragmatism to our event, being scheduled among others 4 workshops, 1 national exhibition and 2 brokerage events. Access at the conference is free on the basis of a subscription formulary. For details and subscription [Read more](#)

Cross-linking clusters in Győr

Within the framework of the [ClusteriX INTERREG IVC project](#) West Pannon Nonprofit Ltd organised a successful Cluster Master Course session in **Győr on 24-25 April 2014**. The key objective of the event was to give the participating Hungarian clusters a first-hand overview and inspiration about the possibilities of cross-
