Detailed plan
When arriving by car

Detailed plan

When arriving by car:

coming from the north: A2 South Autobahn, Wöllersdorf – Wiener Neustadt Nord/Civitas Nova Exit

- At the first traffic circle, exit at the last possibility in an easterly direction. Follow the TFZ Wiener Neustadt signs on to the next traffic circle, exiting in the direction of the Nordspange ("north junction") along the Gutensteiner highway. At the next traffic circle at the junction of the Wiener Strasse, stay on the 21b
- At the next traffic circle at the junction of the B17, take the first exit to the right, to the south
- Continue along the Ferdinand Graf von Zeppelin Strasse, then turn left on to the Rudolf Diesel Strasse
- The TFZ Wiener Neustadt is to your left at the next traffic circle
- Parking is available directly in front of the TFZ building, in the Rudolf Diesel Strasse and the Viktor Kaplan Strasse

coming from the south: Zentrum Wiener Neustadt/City Center

- On the B17 going north, turn right on to the Prof. Dr. Stephan Koren Strasse after the railway underpass and at the second traffic light
- At the intersection with Johannes Gutenberg Strasse, turn right again and continue on until the next traffic circle
- The TFZ Wiener Neustadt is now in front of you
